WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

From all of us to all of you

"We were delighted to partner with the Disney team to celebrate a century of movies that have captured the imagination of millions of fans all over the world. The Disney Castle plays such an iconic part in movie history. We wanted to create a LEGO® version as a tribute in every detail, to capture its inviting presence in the cinematic openings of Disney movies and reflect Cinderella's new, vibrantly colored Castle which was recently redecorated for the Walt Disney World® 50th anniversary (2021).

With an immense catalog of 61 classic Disney animation movies to choose from, we made sure to include at least one reference to every Disney Princess, as well as a plethora of references to significant Disney moments from 14 movies. We also focused on choosing the perfect characters to include and are super excited to release these iconic Disney Princess and Prince characters as LEGO minifigures for the first time!"

Ryan Van Woerkom, LEGO® Model Designer

"We listened to LEGO® | Disney fans' wishes and included the most beloved characters and references in the model."

De nous tous à vous tous

« Nous avons été ravis de nous associer à l'équipe de Disney pour célébrer un siècle de films qui ont conquis l'imagination de millions d'amateurs dans le monde entier. Le château de Disney joue un rôle tellement mythique dans l'histoire du cinéma. Nous voulions créer une version LEGO® qui lui rende hommage dans les moindres détails, pour saisir le caractère accueillant de son apparition dans les ouvertures des films de Disney et refléter le nouveau château aux couleurs vives de Cendrillon, qui a été récemment redécoré pour le 50e anniversaire de Walt Disney World® (2021).

Avec un immense catalogue de 61 films d'animation classiques de Disney à notre disposition, nous avons veillé à inclure au moins une référence à chaque princesse de Disney, ainsi qu'une pléthore de références à des moments importants de Disney tirés de 14 films. Nous avons également soigneusement sélectionné les personnages parfaits à inclure, et nous sommes vraiment emballés de lancer ces princesses et princes emblématiques de Disney en tant que figurines LEGO pour la première fois ! »

Ryan Van Woerkom, concepteur de modèles LEGO®

« Nous avons écouté les souhaits des amateurs de LEGO® | Disney et avons inclus les personnages et les références les plus appréciés dans le modèle. »

De todos nosotros, para todos ustedes

"Nos encantó colaborar con el equipo de Disney para celebrar un siglo de películas que han cautivado la imaginación de millones de fans en todo el mundo. El Castillo Disney tiene un papel absolutamente fundamental en la historia del cine. Queríamos que la versión LEGO® escondiera un homenaje en cada detalle, que capturara su atractiva presencia al principio de las películas Disney y que reflejara el nuevo castillo de Cenicienta, con sus vivos colores y su reciente redecoración con motivo del 50 aniversario de Walt Disney World® (2021).

Con un inmenso catálogo de 61 clásicos de animación Disney para elegir, nos esforzamos por incluir, al menos, una referencia a cada princesa Disney, así como abundantes alusiones a los momentos más significativos de 14 de las películas Disney más importantes. También nos centramos en incluir a los personajes más adecuados y nos entusiasma haber podido lanzar minifiguras LEGO de los personajes Disney del príncipe y la princesa por primera vez".

Ryan van Woerkom, modelista de LEGO®

"Prestamos atención a los deseos de los fans de LEGO® | Disney e incluimos los personajes y referencias más populares en el modelo".

Magic mirror on the wall

"Every accessory and detail is significant to the world of Disney. Inspired by the mosaic murals in the Disney Park castles, the ballroom is decorated with 'mirror murals' depicting our four Disney Princess characters, with a crest featuring a signature icon to represent her story.

The Princess minifigures' sparkling dresses bedazzle guests when they dance at the ball. To get the most accurate character references, we studied screenshots from the movies, from Snow White's sweet, sleepy face to Tiana's delicate floral dress, all to complete the immersive Disney experience."

Crystal "Bam" Fontan and Niken "Nikki" Ayumurti Hartomo, Senior LEGO® Graphic Designers

Miroir magique au mur

« Chaque accessoire et détail est un élément important du monde de Disney. Inspirée des mosaïques murales des châteaux des parcs Disney, la salle de bal est décorée de "peintures murales en miroir" représentant nos quatre princesses de Disney, avec un écusson présentant une icône caractéristique pour représenter leur histoire.
Les robes scintillantes des princesses éblouissent les invités lorsqu'elles dansent au bal. Pour trouver les références de personnages les plus précises, nous avons étudié des captures d'écran des films, du visage paisible et ensommeillé de Blanche-Neige à la délicate robe à fleurs de Tiana, le tout pour compléter l'expérience immersive de Disney. »

Crystal « Bam » Fontan et Niken « Nikki » Ayumurti Hartomo, graphistes principales LEGO®

Espejito, espejito…

"Todos los accesorios y detalles tienen un significado en el mundo de Disney. El salón de baile está decorado con 'espejos de pared' inspirados en los mosaicos que cubren los muros de los castillos de los parques Disney. Representan a nuestras cuatro princesas Disney, cada una de ellas acompañada de un escudo en el que puede verse un ícono característico que simboliza su historia.
Los brillantes vestidos de las minifiguras de las princesas deslumbran a los invitados cuando bailan en el salón.
En busca de la máxima precisión en las referencias a los personajes, estudiamos diversos cuadros clave de las películas, desde la dulce cara adormilada de Blancanieves hasta el delicado vestido floral de Tiana, todo como colofón de la experiencia Disney más cautivadora".

Crystal "Bam" Fontan y Niken "Nikki" Ayumurti Hartomo, diseñadores gráficos sénior de LEGO®
